SPARKLING DEATH

THEY SAY IT'S THE MOST DANGEROUS BEVERAGE IN THE WORLD. BUT FOR SOME, IT'S THE ONLY WAY TO SURVIVE.

IT WAS A WARM, sunny day in the heart of the city. The sun was shining brightly, and the birds were singing. It was a perfect day for a picnic. But for some, it was a day of death.

A group of people were gathered in a park, enjoying the day. They were laughing, talking, and playing. But then, a car drove through the crowd. It was a small, old car, and it was moving very fast. It hit a group of people, and they were all killed.

The car was a 1960s Ford Mustang. It was a very popular car at the time, and it was very fast. But it was also very dangerous. It had no air bags, and the brakes were very weak. It was a car that was built for speed, not for safety.

The driver of the car was a young man. He was a student at a local university. He was a very smart student, and he was very popular. But he was also very reckless. He was always driving fast, and he was always drinking. He was a party animal.

On the day of the accident, he had been drinking a lot of sparkling water. He was very thirsty, and he had been drinking a lot of sparkling water. He was a fan of sparkling water, and he had been drinking a lot of it.

But now, he was dead. He was lying on the ground, and he was not moving. He was dead.

The people who were with him were all shocked. They were all crying, and they were all screaming. They were all in a state of panic. They were all trying to get the car out of there, but they were all too late.

The car was a total wreck. It was completely destroyed. It was a car that had been built for speed, but it was not built for safety. It was a car that was built for fun, but it was not built for life.

I know what you want! Strength! Endurance! Speed! A body to be proud of! You want tough, hard muscle on your shoulders, arms, back, and legs. Maybe you want to get rid of some of that fat. Maybe you're sick and tired of being kidded by the other fellows. Yes! I know what you want! Give me a chance to give it to you, and if in a short time you don't agree that I've done my job, I don't want any of your money!

POWER PLUS Means Vitality, Energy, Strength!

All my life I've been making big muscles out of little ones. I've trained thousands of average boys and young men. I've trimmed down heavyweights. I've built up scrawny little fellows. I've done it in person; I've done it thousands of miles away! I've developed an amazing method called Power-Plus, the most original system for physical development ever

devised. There's nothing exactly like it anywhere—at any price. I work on your shoulders, your arms, legs, back, and chest. You must see definite results—or you don't pay! At the end of a short training period you must FEEL and LOOK like a different person, or I'll refund every cent you paid!

How'd YOU like to be able to defend yourself against all comers—to protect others if necessary—ready for anything?

How'd YOU like to win in the hundred yard dash—or run a mile without becoming winded?

How'd YOU like to be able to beat the crowd in athletic contests—prove your skill, strength, and speed?

How'd YOU like to be physically fit for an officer's rating in Army, Navy or Coast Guard? You may be in the Army some day and you'd certainly want to win your stars or bars.
